

# Do You Have What It Takes To Join The Sales Team At Utah's Hottest Company?

## A Unique Opportunity for Sales All-Stars to Make Unlimited Amounts of Cash!

By Dennis Mikelson, Business Writer

DRAPER, UT — This message is going to make a lot of people very excited.

Why? Simply because this message is going to jump-start the greed glands of almost everyone who reads it.

I'm going to start by telling you 7 facts about Premier Mentoring. As you may have heard from other sales pros, Premier Mentoring is the highest-flying marketing company in Utah. They work with some of the biggest names in the worlds of real estate, stock market, and other wealth-building industries. They create and market coaching programs to help individuals succeed. The dollars are HUGE! Listen to this. The private coaching market is...

### A Multi-BILLION Dollar Industry!

People are literally starving for this kind of specialized private coaching. They want someone to show them exactly how to succeed.

No other company is as successful in this area as Premier Mentoring. The coaching programs they create are absolutely top-drawer. And their marketing systems bring in a literal flood of customers begging for these programs.

This flood of customers means that the salespeople at Premier Mentoring do VERY well. How well? Last year, for example, their top performer was able to...

### Arno Karsen & Steve Shipp, Recent Mercedes Benz Winners

*"There's no other place like Premier Mentoring! My efforts really pay off. I can finally earn what I'm worth."* —Steve Shipp

### Earn More Than \$500,000!

That's a lifestyle I'm sure you know how to enjoy. You may even be able to squeak by on \$100,000+ like a lot of their salespeople.

To be fair, please take note: If you're looking for this kind of outrageous income to walk on its own and deposit itself right into your bank account while you kick up your feet watching cartoons, then please stop reading now. Premier Mentoring is out of your league.

But if you are the kind of person who likes to crank up the adrenaline and work like a madman during work hours, then take off to enjoy the fruits of your labor, Premier Mentoring will fit you like a glove. Especially if you would like to drive...

### A Sparkling New Mercedes Benz - FREE!

Imagine driving home with a brand new Mercedes. Or taking your significant other on fabulous vacations to places like Hawaii and Alaska — all expenses totally paid. And there are seemingly non-stop prizes and cash bonuses.

Premier Mentoring treats its salespeople like gold. Not only do they give you the opportunity to earn what you're actually worth, they also allow you to enjoy this new-found...

### Superb Quality Of Life!

*After all, what good is all the money you'll earn if you can't enjoy it?*

As I mentioned above, your colleagues at Premier Mentoring work their butts off every day. They really earn their hefty paychecks.

But when the workday is over, Premier Mentoring encourages them to go have fun! Which means they have plenty of time to improve their golf game, spend time with their families, and do exactly the things that make their lives fun and exciting. Sound good yet?

It should. Because it's no secret that Premier Mentoring provides...

### The Best Environment In The Industry!

Many sales floors are dank, dingy places. Plus, the managers in some of those places aren't going to win model citizen awards.

At Premier Mentoring, not only will you

receive the respect you deserve, but you'll be blown away at the fact that there's...

### No Limit To What You Can Earn!

You may be sick and tired of the regular changes to your current commission plans. It's the dirtiest trick in the business...when the "boss" sees that you're making what he thinks is too much, he changes the rules on you.

That's not the way they do things at Premier Mentoring. They've set up a remarkably lucrative commission structure and they stick to it. In fact, they're probably guilty of being TOO generous with all of the additional bonuses such as all-expense-paid vacations, cars, Jazz tickets, cool prizes, and cash awards.

*You'll never hit an income ceiling with Premier Mentoring.* That's because they give you a...

### Non-Stop Flow Of Red-Hot Leads!

Some companies cannot generate a reliable stream of leads for their salespeople. This is NEVER a problem at Premier Mentoring. Why? Because they have a marketing department that knows how to bring in the leads.

Premier Mentoring has an urgent need to bring in the very best of the best to help handle these hot leads. They want to talk to you if you are ready to put your sales chops to good use and earn the lifestyle you want — and deserve!

You can discover everything about Premier Mentoring. They invite you to come and visit their executives at an exciting...
